Dear Scholarship Applicant Families,

The ISU String Project is able to provide a limited number of partial scholarships to families with financial need. Scholarships range from 25%-75% of tuition cost. Please fill out the enclosed form and return via email, fax, or mail. If needed, a monthly payment plan can be established, regardless of whether or not you receive scholarship assistance. Any tuition balance must be paid before the final concert of each semester. If you are interested in using a String Project instrument, please indicate this on your application.

Please note that students who receive a String Project scholarship will be required to sign a contract outlining their intention to fully participate in the program, including having good attendance and time spent with at-home practice. The scholarship award may be put on probation for the following semester if adequate progress is not made.

We are glad that you are interested in being a part of this wonderful program, and look forward to assisting you as best we can.

Thank you!

Dr. Katherine Lewis
